Sport in Schools

Dear Parents and Carers,

We are excited to share with you a new and innovative program we will launch with our Bay Community of Schools in 2020.

Sports in Schools Australia [SISA] is well known in our communities as a provider of high quality physical education programs with skilled staff and fun, specialised equipment. In 2020, our Bay Community of Schools, comprising Biddabah PS, Eleebana PS, Valentine PS and Warners Bay PS, will engage SISA to provide a year-long program of engaging and exciting Physical Education, Health and Wellbeing lessons for our students from Kindergarten to Year Six. Each school will engage a SISA team of fully qualified teachers, who will work closely with the school staff to deliver the new PE/H/PD syllabus.

The SISA APL program is one that delivers the best of high quality learning and experiences for our students and staff alike.

As a significant saving for families our schools will each contribute funds towards this valuable program making it affordable for families at only \$50 per semester.

We look forward to launching this program this year and are excited about the opportunities it will provide.

Regards
