

My new school

School name

This is my new school. It is called Warners Bay Public School.

These are the gates where I go into my school.

These are the Kinder teachers. My teacher and the other teachers at school will look after me while I am at school. I can ask my teacher to help me if I need help. My teacher cares about me and likes to know about me.

Mrs Parsons

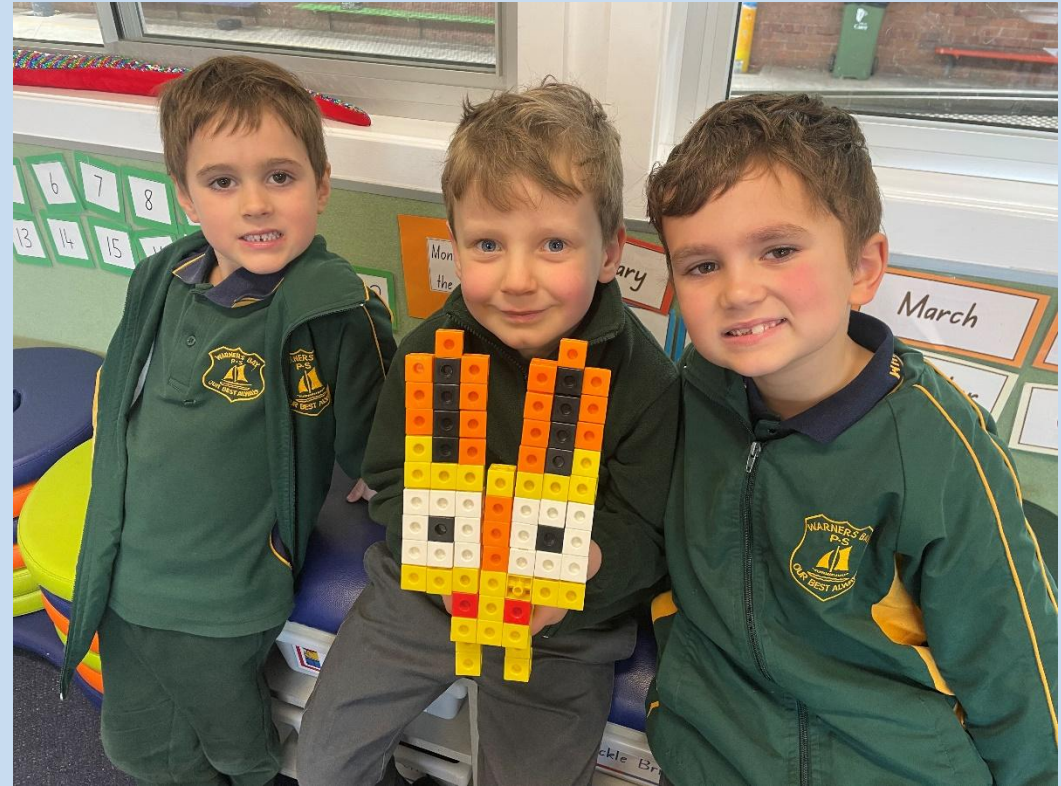

Miss Nikki

Mrs Milgate

I can have a lot of fun at school and learn a lot of things. I might see some old friends there and make some new friends.

Sometimes I might miss my family while I am at school. My teachers will help me to feel better and have fun until home time.

I wear my uniform to school. I wear my hat outside to protect me from the sun.

I have a school bag with my fruit break, lunch, and drinks inside. My name is on everything. This is where I put my bag when I am at school.

I eat my fruit break, lunch and recess at school. I eat healthy food to help me feel good and to grow strong.

This is the principal whose name is Ms Hall. The principal looks after all the children and the teachers at the school.

This is Lulu. Lulu comes to visit us in our classroom and the playground.

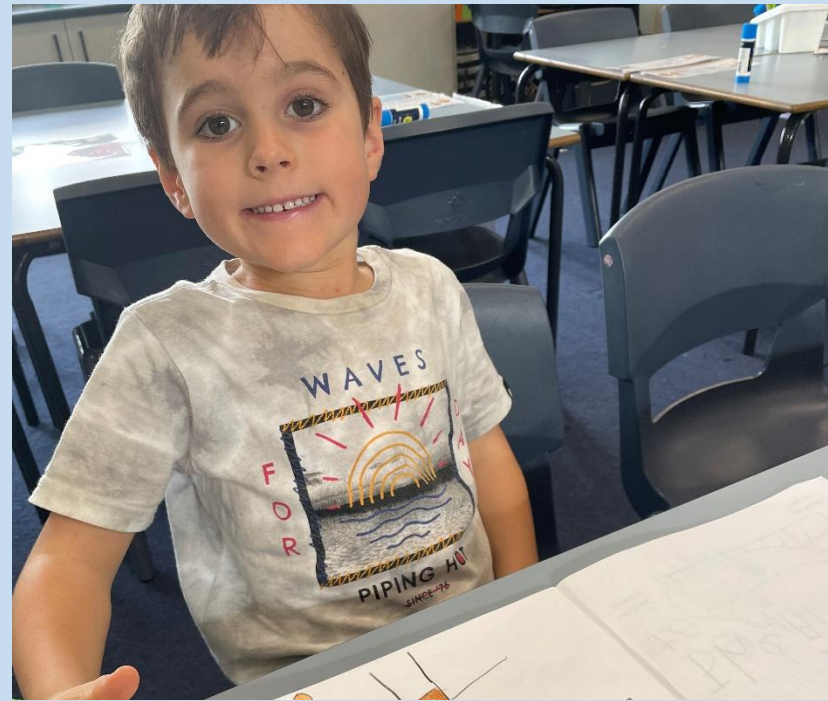

These are the Kinder classrooms where I have fun and learn with the other children in my class. I like learning the names of all the other children and they learn my name as well.

I know how to do a lot of things at school because I have done them before. I draw, paint, paste, count, play, listen to stories and sing songs at school.

There are tables and chairs in the classroom and floor spots where all the children can sit to listen to the teacher read us a story or to help us to learn new things. We learn about reading and maths and science and lots of things.

This is the playground. It is fun to talk and laugh and play with my friends in the playground at recess and lunch time.

There are big kids at school. The children in year 6 are the oldest and they look really big. Sometimes some of these big kids can be your friend or buddy at school and help you and play with you.

Another thing that you need to know is that there are school days, and weekends and holidays. Monday, Tuesday, Wednesday, Thursday and Friday are school days and Saturday and Sunday are the weekend days. You don't go to school on the weekend or in the holidays.

This is the school office. This is where I take my notes and money. Sometimes children take messages to the office. I would like to do that one day.

My school has a special room called a library with lots of wonderful books. I can take some books home in my library bag so my family can read them with me.

There are toilets at my school. The teachers teach all of the new children about where the toilets are and how to use them. I am glad about that because it is very important to know about the toilets. There are toilets for the boys and toilets for the girls. I always flush and wash my hands after I use the toilet.

All of the children have someone who picks them up after school. The teachers look after me until I am picked up. Some children might go home with their mum or dad or grandma or another person who looks after them. Some children might go to OOSH and then get picked up from there and go home after that. Some children even go home on the bus.

When I am going home I say
goodbye and smile and wave
to the teachers and the other
children.

We can't wait to see you at
Warners Bay Public School!
